

## COMING TO LOGAN, OHIO

Monday, Feb. 17. From 9 a.m. to 5 p.m.  
IT WILL PAY YOU TO GO 200 MILES TO SEE

**Dr. C. C. Weist**

The Well Known Columbus Specialist

Who will visit above named town on dates specified. For more than 10 years Dr. Weist has made regular monthly visits to the principal cities of Ohio. His large practice in this community is largely due to the hearty recommendations of those whom he has treated. Why not consult a well known specialist who has earned an established reputation among you?

### Chronic Diseases of Men and Women

Dr. Weist has devoted his life to the study of Chronic Diseases. If you are afflicted, how can you make a mistake getting free of charge the honest opinion of an experienced, educated specialist who has treated thousands of cases and provided the necessary facilities for the successful treatment of Chronic Diseases. It costs you no more to employ an expert than to risk your life with an inexperienced physician.

**Eyes Examined Free**  
Have your eyes examined by an experienced specialist. Dr. Weist treats Diseases of the Eye. Many cases of defective vision are caused by disease. Do not risk your sight with any one who is not able to discover and treat the cause. If glasses are needed, Dr. Weist will fit you satisfactorily.

### DISEASES OF MEN

Special attention is given to all diseases peculiar to men, especially those suffering from overwork or other excesses. Nervous Debility, Varicocele, Rupture, Blood Poison, Erysipelas, Rheumatism, etc. Consultation Free and Confidential.

**Varicocele and Rupture Cured** without the use of the knife.

Each person applying for treatment should bring from two to four ounces of morning urine which will receive careful examination. List of 50 questions sent on application. Persons desiring consultation at my Columbus office, should first arrange an appointment by mail. You can see me at my Columbus office on Saturday and Sunday by appointment.

CONSULTATION AND EXAMINATION FREE AND CONFIDENTIAL.

CALL ON ABOVE DATE OR ADDRESS, DR. C. C. WEIST, Dennison Hotel, COLUMBUS, OHIO

## Colds on the Chest

Ask your doctor the medical name for a cold on the chest. He will say, "Bronchitis." Ask him if it is ever serious. Lastly, ask him if he prescribes Ayer's Cherry Pectoral for this disease. Keep in close touch with your family physician.

We publish our formulae. We banish alcohol from our medicines. We urge you to consult your doctor.

When you tell your doctor about the bad taste in your mouth, loss of appetite for breakfast, and frequent headaches, and when he sees your coated tongue, he will say, "You are bilious." Ayer's Pills work well in such cases.

Made by J. C. Ayer & Co., Lowell, Mass.

### Home-Made Treatment To Overcome Rheumatism.

When an eminent authority announced in the *Scranton* (Pa.) Times that he had found a new way to treat that dread American disease, Rheumatism, with just common, every-day drugs found in any drug store, the physicians were slow indeed to attach much importance to his claims. This was only a few months ago. Today nearly every newspaper in the country, even the metropolitan dailies, is announcing it and the splendid results achieved. It is so simple that any one can prepare it at home at small cost. It is made up as follows: Get from any good prescription pharmacy Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking in a bottle and take in teaspoonful doses after each meal and at bedtime. These are all simple ingredients, making an absolutely harmless home remedy at little cost.

Rheumatism, as every one knows, is a symptom of deranged kidneys. It is a condition produced by the failure of the kidneys to properly filter or strain from the blood the uric acid and other matter which, if not eradicated, either in the urine or through the skin pores, remains in the blood, decomposes and forms about the joints and muscles, causing the untold suffering and deformity of rheumatism.

This prescription is said to be a splendid healing, cleansing and invigorating tonic to the kidneys, and gives almost immediate relief in all forms of bladder and urinary troubles and backache. He also warns people in a leading New York paper against the discriminate use of many patent medicines.

### Real Estate Transfers.

Falls—John W. Hartmann and wife to Julius D. Tucker, 1 acre, also lots 1, 2, 3, 4, and 15, \$300.

Falls—John E. Yeller and wife to Leah Katharine Ringbier and husband, 10 acres of land, \$1 and other consideration.

Washington—Phil Chapman et al, to C. W. Alkire, 25 acres of land, \$1700.

### Death of Mrs. Ed Stivison.

Mrs. Edward Stivison on East Hunter street, died on Wednesday afternoon of last week after a long and painful illness of cancer. For over two years everything that medical skill could do was done for the patient but the insidious disease had too strong a hold. She was aged about 40 years and moved from the Clear Creek section to Logan with her husband about one year ago. She was a daughter of the late Edward Hiles, who resided in Monday Creek township, Perry county. She is survived by the sorrowing husband, the mother, brother, Marion Hiles, of Perry county, Mrs. Noah Stivison, of Marion township, and Miss M. Hiles, who lives with her mother on the old home farm in Perry county, besides many friends and relatives. The funeral occurred from the U. B. Church Sunday afternoon, Rev. Willis officiating.

### Agricultural Society Meet.

A meeting of the Hocking County Agricultural society was held in this city on Saturday for the purpose of re-organization. The meeting was held at the court house and quite an interest was in evidence for the selection of a president of the board, although there was no contest in the open.

The following were the society's selections for official position in that body for the ensuing year:

Charles J. Wright, of Logan, president; Otto Shaw, Laurel township, vice-president; T. D. Trimmer, Washington township, treasurer; S. S. Ruble, Logan, secretary. The official roster is conceded a good one and the selection of Mr. Ruble as secretary is also a good one.

The society has at the present time 120 members. These members met recently and selected six directors from six different townships in the county. The new directors selected are as follows:

George Wright, Green; Charles G. Wright, Marion; Geo. Schaal, Benton; Oscar Dawley, Ward; T. D. Trimmer, Washington; John Davis, Salt Creek.

Of the 120 members of the society, 46 voted at the election to select directors. The Hocking County Agricultural Society is composed of one director from each township, one-half of which directors are elected annually. The directorate comprises some of the leading farmers of the county and the confidence of the members has not been misplaced in its selection as is evidenced by the success of the last two fairs.

No dates have yet been fixed for the Hocking county fair and it will not be for some time yet that the definite date will be assigned Hocking county by the State Board of Agriculture.

Frank Adecock, the retiring president, has made one of the best officials that Hocking county every had as is evidenced by the success of the last two exhibitions.

Mr. Adecock was an indefatigable worker and was always busy during and previous to fair time. The people of Hocking county should not let their interest lag in these annual county exhibitions. There is no reason why the fair should not be bigger and better than ever this year. The official roster shows that officials of energy and foresight have been secured and that is half the battle for the success of the annual county exhibit of farm products.

That the grounds, fences and buildings should be repaired and shade trees planted is a fact patent to all the patrons of the fair. The newly-elected officials should get busy and make the Hocking county fair grounds one of the prettiest in this section.

### Special Announcement Regarding the National Pure Food and Drug Law.

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults.

Bort & Co.

## OHIO STATE LEGISLATURE

By Mr. Welker, of Stark—Making definite and certain the duties of County Auditors in the matter of placing upon the tax duplicate concealed or overlooked personal property. The present law is said to be defective in this respect.

By Mr. Hall, of Columbiana—Providing a penalty for the unauthorized wearing of the emblem of the Order of Elks.

Bills introduced in the Senate were:

By Mr. Sathburn, of Meigs—To require proprietors of stores to give seven days' notice to the County Recorder of proposed sales of goods in bulk. This is to protect the creditors, the wholesalers. A similar bill adopted six years ago was held invalid by the Supreme Court because it required the notifying of all creditors. The present bill, it is believed, will avoid this ruling.

By Mr. Burnett, of Highland—Amending the gypsy laws so as to prohibit wayfarers from building campfires on roadsides without permission of owners or tenants of adjacent lands.

By Mr. Ritter, of Miami—Amending the existing law relating to the use of false weights or measures by making it an offense to buy as well as to sell in this fraudulent manner.

By Mr. Kolinsky, of Cuyahoga—Requiring service to be made personally upon the proper municipal officers of the filing of suits to vacate alleys and streets in addition to the legal notice by publication in newspapers.

Mr. Huey of Mahoning—Giving four preemptory challenges of jurors in appropriation of property cases.

Mr. Huey of Mahoning—Making minimum sentence in cases of burglary when jury recommends mercy five years instead of ten.

Mr. Anderson of Mahoning—To provide for altering or abolishing grade or other crossings.

Mr. Demath of Paulding—To provide that when two or more special assessments are assessed against the same description of property, the same fee shall accrue on each entry of tax, instead of description of property, if put upon some special duplicate.

Mr. Welker of Stark—Amending registration law so that registration will not be required in cities of less than 20,000 population. The law now requires registration in cities having 11,800 population.

Mr. Wilson of Belmont—To require all fees paid to county officers to be paid into the county general fund, and providing that all salaries of county officials be hereafter paid out of that fund.

Mr. Stewart of Clark—Providing that one or more persons may secure relief from levee commissioners instead of a majority of owners of rights as now required.

Mr. Stewart of Clark—Applying the provisions of the Valetine anti-trust law to fire insurance companies, by striking out the provision permitting them to employ a common agent.

Mr. Collett of Cuyahoga—To grant certificates to city normal school graduates on recommendation of superintendent of school, without further examination.

Mr. Collett of Cuyahoga—To allow cities to issue eight-year instead of two-year notes in raising funds in anticipation of special assessment.

Mr. Paxton of Hamilton—To let court determine distribution of money on case of damages when person is wrongfully killed.

Mr. Alder of Hamilton—Providing that a licensed engineer must be in charge of hoisting machinery used in the erection of buildings and bridges.

Mr. Bishop of Morgan—Increasing the compensation of appraisers of personal property from \$1 to \$2 per diem. Probate judges are given discretion to increase this compensation in the event that the services rendered justify it.

Mr. Bronson of Franklin—Exceptions to decisions of court cases must be made within 60 days of entry on the journal.

Mr. Thomas of Trumbull—Amending the child adoption laws to permit vice president of board of trustees of children's homes, in absence of president, to sign consent to adoption.

Mr. Chamberlain of Montgomery—Fixing the pay of assessors of personal property at \$3 a day.

Mr. Huey of Mahoning—To permit annual tax levy equal to 1-50 of par value of bonds for building improvement, if bonds are issued to run 30 years.

Mr. Chamberlain of Montgomery—Providing for sale of property of insane or idiotic ward, with out consent of husband and wife.

Mr. Bronson of Franklin—Doing away with necessity for registration of votes for special elections. Registration for special elections to be in one voting place in a ward or at rooms of board of elections, at option of the board.

Mr. Huey of Mahoning—Allowing sheriffs railroad and street car fare when serving civil processes and subpoenaing witnesses.

Mr. Spicer of Summit—Providing that buildings on mortgaged land shall be insured by mortgagee for the benefit of the mortgagee.

### La Grippe and Pneumonia.

Foley's Honey and Tar cures la grippe coughs and prevents pneumonia. Refuse any but the genuine in the yellow package. Bort & Co.

### Traction Line.

The building of the Hartman electric road from Columbus to Washington C. H. and the extension of the Scioto Valley Traction line through the Salt Creek Valley has awakened widespread interest.

Mass meetings are being talked of at Kingston, Adelphi and Laurelville to further the project of building the Scioto Valley line on to the Rock House. In speaking of the enterprise a citizen of Hallsville said to the *Circleville Union-Herald*:

"It is an offer directly concerning all in the village and country. It will advance the earning capacity of farm and garden, dairy and poultry yard. It will place our merchandise in direct communication with the cities and markets at reduced freightage."

The surveyors of the Hartman traction company Friday evening finished the calculations for the building of a line from Columbus to Washington.

The record-Republican says: "The opinion is that if the line is built over the route that measures up the closest to the qualifications it would very likely be built over the Columbus pike route."

"However, there seems to be some talk at present of new plans for getting into this city and reaching Columbus through Circleville by way of the Scioto Valley Traction line. This would open a field for business especially since the Scioto Valley line expects to construct a new line over the Karshner roadbed into Lancaster. This would make the business of Hartman line greater out of this city, as not only would it be possible to reach Columbus, but also Circleville, Chillicothe and Lancaster by traction. The line in this case would probably be built over the Circleville pike through New Holland, and this district is thickly populated along the entire route."

"This it is said would be a cheaper route of construction."

### Mysterious Figures.

Put down the number of your living brothers.

Double the number.

Add three.

Multiply result by five.

Add number of living sisters.

Multiply by ten.

Add number of dead brothers and sisters.

Subtract 150 from the result.

The right hand figure will be the number of deaths.

The middle figure will be the number of living sisters.

The left hand figure will be the number of living brothers.

Strange freak of figures, isn't it?

The editor of the Memphis, Tenn., "Times" writes: "In my opinion Foley's Honey and Tar is the best remedy for coughs, colds and lung trouble, and to my own personal knowledge Foley's Honey and Tar has accomplished many permanent cures that have been little short of marvelous."

Refuse any but the genuine in the yellow package. Bort & Co.
